## 2023/2024 MEMBERSHIP

Aston Hills Golf Club aims to offer a welcoming and enjoyable environment for all members. We pride ourselves on offering membership levels that encourage inclusion from all skill levels and backgrounds.

Our subscription year begins 1 September through to 31 August each year, with no joining fees.

### ABOUT THE CLUB

The Mount Barker District Golf Club originated as a definable body in 1879, which makes it one of the oldest, if not the oldest Golf Club in the State and it has been in existence continuously since that time. Golf at Mt Barker was originally played on the local property now known as the Laurels, and owned by a well-known early settler, Mr. John Dunn. The club used this venue for forty-two years, and during this time it joined forces with the Hahndorf Golf Club from 1907 to 1912.

As Mt Barker grew it became necessary to relocate the Club golf course. In 1966 the Club decided to establish a facility and to do so, purchased some 288 acres of land near Wistow. As land pressures changed and the population of Mt Barker grew, it became apparent that the Wistow course could not be developed into the standard of course required,

The present property was purchased and developed, beginning in 1977. The course was constructed first. The original clubrooms were completed and opened on the 4th October 1980. The years 1980 to present have seen a tremendous amount of effort and revenue put into the facility by way of continual upgrading of the course and machinery to keep resources in the condition that members have come to know, enjoy and expect.
